

Warmsworth Parish Council Allotments

First of all a very warm welcome to our new tenants on Warmsworth Parish Council Allotments, thank you for deciding to have an allotment in the village and please do not hesitate to get in touch with a member of the Parish Council Allotment sub committee if you any questions
(contact details below)

Thank you to all for following the government Covid guidance so far this year, better times do now thankfully seem to be returning and we thank everyone in playing their part in making this a safe place for everyone to enjoy.

It is great to see so many fabulous plots this year and especially to see so much diversity in growing produce from the old tried and tested traditional method to the 'no dig' method.

A website has been developed for the allotments at

www.warmsworthallotments.com

This, along with the noticeboards, will be used as the first point of contact for news, rules and policies, contact information, past newsletters, parish council meeting minutes and links to guidance and other sites.

Please have a look when you have time, any comments are greatly appreciated.

As bonfire night approaches, as usual we have 3 days allocated for burning of old wood etc. Please keep any fires small, with respect for people on any adjoining plots and for all the nearby houses. Fires are to be after 5pm only on Thursday 4th November, Friday 5th November and Saturday 6th November.

Please read through the 'Health and Safety policy on the noticeboard and on the new website for guidelines when having a bonfire.

Just a polite reminder also that the water will be turned off after bonfire weekend, although water for any livestock and making drinks will still be available from the tap at the blue hut.

Thank you to everyone who has paid their yearly rent. If you have yet to do so, please ensure this is completed asap by contacting cllr Alan Bennett or cllr Kirsty Lenham. You can also pay online if you prefer by contacting the parish clerk Andrew Bosmans.

After a terrible year for so many, I am sure the prospect of returning to some kind of 'normal allotment life' as we go into 2022 will be so appealing.

The Parish Council will be looking at making many improvements over the allotments throughout next year and we are sure you will support us in every way.

Please note that Warmsworth Parish Council does not recognise any self formed committee and that all decisions on the allotments will be made by the Parish Council.

For the council to meet individual needs effectively, any questions, comments or queries must be from individual plot holders. Therefore any communications from any 'group' will not be considered.

If tenants have any concerns then they must contact the Parish Council, stating their name and plot number.

This can be a member of the Parish Council Allotment sub committee, the clerk or the chair if you have any questions.

Thank you for your co-operation and we hope you continue to enjoy the wonderful benefits that having an allotment brings.
