Warmsworth Parish Council Annual Report 2025 - 2026

Welcome to the latest Annual Report of Warmsworth Parish Council.

The Council has again been very busy over the last year, and I would like to take this opportunity to thank all elected Councillors and council employees for all the good work which has taken place over the last year, that, on many occasions has meant that they all have had to go that "extra yard"

Credit again goes to the groups which have helped to contribute to Warmsworth being a wonderful place to live.

The Council is still putting much time and effort into the Warmsworth Community Hub, and usage is growing year on year, and we are pledged to spend more investment in it as usage grows.

The cost of living is still a challenge for many residents, but unlike previous years, we unfortunately were forced to increase the Parish Precept having frozen this last year. The Parish Council, like every other organisation, is facing increasing costs, and we do our best to control these.

We are eternally grateful for the businesses that we work with in Warmsworth and must again thank Central Service Garage to the side of Jubilee Gardens who, without undue prompting; have offered the use of their electricity supply to light the Christmas Tree.

The Gala again provided a splendid event on the King George Field.

We cannot praise enough the volunteers who give up their time and efforts for the annual gala in July – they would certainly welcome new helpers especially on the day, and Warmsworth Parish Council makes a modest contribution financially and offers the King George Field free of charge.

The bi-monthly Allotments Forum for plot holders is held on a regular basis and enables feedback on issues affecting the plots and enables steady progress to be made in making improvements.

Parish Council members continue to liaise with various other bodies/organisations in the village and surrounding areas.

These include:

- Warmsworth Quarry
- Warmsworth Cricket Club
- Warmsworth Lions Football Club
- Don Gorge Community Group
- Public Rights of Way
- Transport Issues
- Warmsworth Allotments

11/5/26

- Warmsworth Gala Committee

And our Hub Manager continues with duties which include keeping Hub grounds and the Hub itself, cleans and tidy.

Our website on www.warmsworthparishcouncil.co.uk will give you the contact details and will be maintained to keep it fresh with the latest news. There are plans to refresh the website once again in 2026 -27

Please continue to check the website for any news or updates and let us know if you feel there is something missing from it.

Councillor Sally Beech co-ordinated Halloween and Christmas events this year. Any surplus for these events is donated to charity. They revived the old Warmsworth Feast on a very hot summer day.

Finally, we would like to thank everybody who helps the Council in so many ways.

Thank you to our employees; Andrew, Rob and Gary, who do a fantastic job for the village; thank you to all of the Parish Councillors who give up their free time voluntarily to attend meetings, liaise with CDC and Police and make decisions that shape the future of the Parish, and lastly a big thankyou to all the residents of Warmsworth without whom none of this would be possible.

Both CDC Ward Councillors; Joan Briggs and Stephen Bennett; are invited to monthly Parish Council Meetings and Cllr Joan Briggs attends on a regular basis.

We would also like to offer our special thanks to the Warmsworth Environmental Group that regularly undertake litter picks and welcome newcomers to assist when they can. You can contact the council direct or visit the website for details.

Additionally, if you would like to contact the Council please attend a meeting (2nd Monday of every month (except August and December)) or e-mail clerk.warmsworthpc@gmail.com

David Maxey
Chair – Warmsworth Parish Council
